Career Objective

I am a motivated IT student with hands-on experience troubleshooting hardware, software, and network issues in real-world environments. I have developed strong transferable skills, supporting clients through effective verbal and written communication. Currently studying Cyber Security at the Certificate IV level, I am seeking a Level 1 IT Support role where I can contribute my technical troubleshooting abilities and excellent customer service.

Education

Certificate IV in Cyber Security

Swinburne University of Technology – TAFE

08/2025 – 08/2026

Certificate III in Information Technology

Swinburne University of Technology – TAFE

07/2025

Certificate IV in Business

Navitas Professional

05/2020 – 02/2021

Skills

Technical Skills:

- Basic troubleshooting for hardware, software, and networking
- Basic peripheral devices installation and maintenance
- Basic system and network configuration, including Wi-Fi network connection
- Proficiency in remote access via RDP
- Proficiency in operating systems, including Windows 11, Ubuntu 24, Windows Server, and Ubuntu Server

Transferable Skills:

- Responsive customer service
- Strong verbal and written communication
- Team collaboration and the ability to work independently
- Problem solving

Internship history

Networking Administrator

TasCollege, Hobart, Tasmania

02/2021 – 05/2021

- Assisted colleagues and students with basic troubleshooting and network configuration on Windows 10 computers, including resolving Wi-Fi connectivity issues, performing system updates, and installing software
- Utilised connectivity testing tools, including ping and tracert/traceroute, to identify and resolve network issues effectively
- Documented network and system changes to ensure consistency and facilitate future troubleshooting
- Developed strong problem-solving and technical communication skills in a collaborative environment

Employment history

Kitchen Staff

02/2021 – 10/2024

Niko Niko Sushi, Hobart, Tasmania

- Provided excellent customer service, fostering positive dining experiences and encouraging repeated patronage
- Contributed to a 10% sales increase through consistent, high-quality interactions and attention to customer needs
- Managed and maintained stock and inventory to ensure smooth kitchen operations
- Collaborated closely with team members to efficiently resolve customer inquiries and maintain workflow
- Strengthened multitasking, communication, and problem-solving skills in a fast-paced environment

Support Certificates

Operating Systems and You: Becoming a Power User

2024

Coursera and Google

The Bits and Bytes of Computer Networking

2024
